

### News from school...

We were delighted to welcome the students back to school this week and hope that they all had a lovely half term holiday.

Just before half term, our students engaged well with our Learning for Life day, the year 7 students gained valuable skills in team building, whilst other students covered topics including respectful relationships, personal finance, prejudice and discrimination. Our year 11 students were excited to hear our guest speaker, Baasit Siddiqui (from Channel 4's Gogglebox) talk about resilience and grasping opportunities.

### We're looking forward to...

One of my favourite events on the school calendar is our annual musical, the countdown is now on to "Matilda" which runs from Tuesday 14<sup>th</sup> November to Thursday 16<sup>th</sup> November. You can buy your tickets [here](#).

Another date for your calendar is our annual Christmas shopping evening on 30<sup>th</sup> November. Our Learning Support department are currently working with our students in preparation for this wonderful evening.
