# Google Safe Search

The image shows a screenshot of a web browser displaying the Google UK homepage. The browser's address bar shows the URL <https://www.google.co.uk/webhp>. The page features the Google logo, a search input field, and buttons for "Google Search" and "I'm Feeling Lucky". A notification at the bottom of the search area reads "Celebrating the writer Virginia Woolf".

A search settings menu is open on the right side of the page, listing the following options:

- [Search settings](#)
- [Advanced search](#)
- [History](#)
- [Search Help](#)
- [Send feedback](#)

At the bottom of the page, there are links for "Privacy", "Terms", and "Settings". The Windows taskbar at the bottom shows the system tray with the time 11:47 and date 01/02/2018, along with icons for various applications and system utilities.

## Information and online resources

### 1. UK Safer Internet Centre

**UK Safer Internet Centre:**  
The European Commission appointed UK Safer Internet Centre is made up of three partners; Childnet International, the South West Grid for Learning and the Internet Watch Foundation. Together we raise awareness about internet safety, develop information materials and resources and organise high profile events such as Safer Internet Day. You can access a range of resources from across the UK, Europe and wider afield at [www.saferinternet.org.uk/parents](http://www.saferinternet.org.uk/parents).

**Childnet International:**  
Childnet International is a non-profit organisation working in partnership with others around the world to help make the internet a great and safe place for children. The Childnet website hosts all the online resources detailed below, as well as a number of recommended resources for young people, parents, carers and teachers. The Parents and Carers area also contains key advice, information on reporting and detailed information on a range of e-safety topics in the Hot topics section. [www.childnet.com](http://www.childnet.com)

**South West Grid for Learning:**  
The South West Grid for Learning (SWGfL) is a not for profit, charitable trust dedicated to the advancement of education through information and communication technologies. They provide safe, supported broadband internet, teaching and learning services for 2,500 schools in the South West of England and e-safety education and training regionally, nationally and internationally. They provide professionals, parents and children with advice, resources and support to use internet technologies safely to enhance learning and maximise potential. [www.swgfl.org.uk](http://www.swgfl.org.uk)

**Internet Watch Foundation:**  
The Internet Watch Foundation is the UK hotline for reporting illegal content found on the internet. It deals specifically with child abuse and criminally obscene images hosted in the UK and internationally. The IWF works in partnership with the online industry, law enforcement, government, and international partners. It is a charity and a self-regulatory body with over 100 Members from the online industry. [www.iwf.org.uk](http://www.iwf.org.uk)

### 2. Safer Internet Day

**Safer Internet Day:**  
Celebrated globally every year, Safer Internet Day offers the opportunity to highlight positive uses of technology and to explore the role we all play in helping to create a better and safer online community. It calls upon young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers, and wider, to join together and play their part for a better internet. Ultimately, a better internet is up to us! [www.saferinternetday.org.uk](http://www.saferinternetday.org.uk)
