

Chapel-en-le-Frith High School encourages a culture of high aspiration, high expectation and success. Careers Education, Information, Advice and Guidance (CEIAG) is recognised as playing an important role in motivating our students, raising aspiration and promoting equality of opportunity.

**The Careers service in school adheres to the Provide Access Legislation (PAL) which came into effect in January 2023 and aimed to strengthen the existing legislation from 2018 (the Baker Clause).**

### Destinations data 2024

**97.3% in full time education, training or employment**
