

Words Make A Difference

Week beginning March 9th 2020

Principal

All of our words this year are taken from the ACADEMIC WORDS LIST. This means that they pop up in LOTS of your subject areas and so knowing what they mean will REALLY help you Make a Difference!

Think you know the word **principal** (noun and adjective)?

There are two main definitions for this word:

An adjective meaning first in order of importance or main eg. The principal reason for this slide is to improve your vocabulary.

Or

A noun meaning the most important or senior person in an organization or group eg. In America they call the head teacher the principal.

Not to be confused with principle...more on that next week!

Look out for this word in your lessons this week. Remember words **make a difference**.
